for non-occupational purposes alone, purchases or uses a good or service made available on the market).

2. We deliver within Europe and the United States of America.
3. To be able to place an order, you must be above the age of 18. If you are younger than 18, we ask you to let a parent or legal guardian place your order. If it comes to our attention that an order is made by a minor, we reserve the right to decline your order.
4. Placing an online order on the website constitutes a formal acceptance of our terms and conditions, which are always available through our website.
5. If you ordered online, we provide you in addition and together with the order confirmation or at the latest on delivery with a copy of these terms and conditions in a format that you can save or print. We moreover recommend that you always do this.
6. If in addition to these terms and conditions, additional special conditions apply, the above applies also to those special conditions. You as consumer can always invoke to your advantage the most preferential text if our terms and conditions would be contrary to the above special conditions.

Clause 3 – our offer and your order

1. We explicitly state in our offer when the latter is only valid for a constrained period of time or is subjected to specific conditions.
2. We always describe as complete and accurate as possible what we sell to you as well as the course of our delivery process. The description is in any case sufficiently detailed to allow you to make a proper assessment. If we make use of graphics, they are a true reflection of the offered goods and / or services. However, to err is human and if we are clearly mistaken, we are not obliged to deliver to you.
3. Your order is complete and the contract between us is final once we confirm your order by mail and regarding your payment made by credit or debit cards, as soon as we receive approval from the issuer of your card. We accept Visa, Carte

Bleue, Mastercard, American Express, Maestro, KBC, Belfius Direct Net, Bancontact, iDeal, Bank Transfer, Apple Pay and Paypal. Should the issuer of your card refuse to agree on your payment to us, we cannot be held responsible for any delays in the delivery and/or non-delivery of your order. Orders without valid payment by name of the registered cardholder will not be accepted or processed.

4. In order to purchase a product, you add it to your shopping basket. Afterwards you submit your contact details and billing data. Next you choose your preferred way of delivery, which is calculated based on the weight and destination of your order. In the final step you are led to an overview page, you accept our terms and conditions and you confirm your payment by pressing the order button, with the caption "Order and pay". If you have completed these steps, your purchase becomes final.

Clause 4 – Right of withdrawal

1. If you buy goods from us, you have the right to decide that you do not want to keep the goods for 14 days from the delivery or the conclusion of the contract. You can then return your order without penalty and without giving any reason (the cost hereof is to be paid by you). Within 14 days after reception of your returned order, we will pay you back the full purchase price, by the same means of payment which you used for the purchase, or we refund the amount on your customer account if you agree with this.
2. The direct costs of the return of the goods will thus be at your expense. We will indicate the costs of the return or make an assessment of the costs, if it is not reasonably possible to calculate them in advance. Should it be impossible to return the goods by postal service, we will pick up the goods from you without charging you additional costs.
3. We can refuse a refund as long as we have not received the returned goods or until you have shown you have returned the goods, depending on which event occurs first.

4. We expect you to handle the order as well as the packaging with the utmost care during the first 14 days after delivery. If you want to return the goods as described above, you may only unpack or use them to the extent needed to assess whether or not you wish to retain them. Returned goods may be tested, but not used. When returning the goods, you will also have to return all delivered accessories and – if reasonably possible – return the goods in their original condition and packaging as well as taking in account our instructions as listed below.
5. You can return your package through post or courier. You are responsible for the correct packing and shipping of the return order. We can only refund orders for which we have received the undamaged return package.
